

Pie for Providers helps child care providers & center administrators bill more easily & efficiently for the child care subsidy program in Nebraska.

Our easy online tool complements your existing systems, saves hours on paperwork, and boosts income by 4% on average.

**We are currently offering FREE subscriptions to all Nebraska-based family child care providers and child care centers in partnership with the NECC (Nebraska Early Childhood Collaborative).

Provider benefits

- **Predictable revenue.** Custom, real-time projections, based on attendance and local rules.
- **More revenue.** Actionable alerts for low attendance and unclaimed fees help providers take action before revenue is lost.
- **Less time and stress.** No more complex math. Information is organized and easy to access.
